Sub: Admission to Class IX or Class XI on account of change of school- reg

Madam/Sir,

Admission in class-IX and Class-XI is a natural phenomena as students of schools affiliated to the Board upto Middle Level are seeking admissions in class-IX and students from Secondary Level Schools are seeking admissions in class-XI in other CBSE affiliated schools. Also students of Senior level schools change school in Class XI due to non availability of desired subjects in the previous school.

It has been observed by the Board that many students also change school while they are studying in Class IX or XI in Secondary and Senior Secondary schools on the grounds of shifting of family, better education, distance between residence and school, medical ground, change of Board etc. Even requests are made at the fag end of the academic session for change of school. Last minute shifting of school does not provide conducive educational environment to students, as they are not well acquainted with new classmates and teachers.

In order to enable students to study in conducive environment, Standard Operating Procedures (SOPs) have been developed which are as under and should be followed:
