SCHOOL UPDATES

Editor's Desk

"The more that you read, the more things you will know, the more that you learn the more places will you go."

The editorial and design team comprising enthusiastic way of involving the parents as a part of this wonderful institution

It was a great honour to be spearheading this new initiative. The main objective of this news letters are as follows

- To inform the parents of upcoming and recent events organised by the different clubs and houses.
- To connect the parents with the institution and make them feel as a responsible family member.
- To enrich the parents with broad knowledge by providing resources or highlights on continuing education and opportunities.

On behalf of the editorial and design team I would like to express my gratitude to everyone who rendered their kind support and assistance towards making the publication a reality.

From the Principal Desk

Dear Parents, Students, and Staff,

I hope this message finds you all in good health and high spirits. As we publish the first digital newsletter, I want to take a moment to express my heartfelt appreciation for your unwavering support and commitment towards our school community.

I am thrilled to announce that we have an exciting year ahead of us filled with endless possibilities, new adventures, and unforgettable learning experiences. Our dedicated team of educators has been working diligently over the days to create a rich and engaging curriculum that will cultivate the minds and hearts of our students.

This year, we are focusing on fostering a positive and inclusive school culture where every student feels safe, valued, and empowered. We will continue to nurture their individual talents and cultivate their passion for learning. Our aim is not only to prepare them academically but also to equip them with the necessary skills and values to become compassionate and responsible global citizens.

According to the NEP Norms, we are focusing on the holistic development of students addressing their cognitive, social, emotional and physical growth.

To achieve this, we have implemented several new initiatives and programmes. These include a revamped school counseling department, attractive Pre Primary Classrooms, enhanced curriculum, and increased extracurricular opportunities to cater to diverse interests. We are also working on developing stronger partnerships with parents and the wider community to ensure a collaborative and supportive environment for our students.

I encourage each and every one of you to actively engage in the school experience by attending parent-teacher meetings, volunteering for school events, and joining our endeavours. Your involvement plays an instrumental role in the success of our school. Together, we can make a significant difference in the lives of our students.

As we embark on this new journey, I want to remind you that our doors are always open. Please feel free to reach out to me or any member of our faculty if you have any concerns, suggestions, or simply want to share your excitement about the upcoming year.

Once again, I am honored to be leading such an exceptional school community, and I am confident that with your continued support, we will achieve great things together.

Wishing you a fantastic school year!

Warm regards,

Sr Saumya SABS

Principal

DCS, Aghanpur
